Important events to be reported: Conclusion of a contract with Markant AG

The management of Agroserv Mariuța S.A. (hereinafter referred to as the “Company”) informs the market that the Company has concluded an agreement, for an unlimited period of time, with terms and conditions negotiated until 2025, with Markant AG, the largest European service intermediary between large retail chains and producers of food and other groceries. Through the contract, the Company will have access to 150 large retail networks, while also ensuring operational security of orders and payments.

Markant AG offers payment intermediation services, EDI services, information, and analysis from the shelf, B2B integrations, full guarantee of the collection of issued invoices. In 2021, the company brokered payments of more than 53 billion euros between 150 major European retail chains and more than 14,000 manufacturing companies.

Through the conclusion of the contract, the Company continues to expand into European markets, targeting in particular the countries with the largest imports of finished dairy products, including Germany, Austria, Belgium and Poland.

Serban Nicusor

President of the Board of Directors
